Sorry Gary--I got side tracked---here is the link to LDEQ electronic file room and the AI number needed to view LDEQ files. Bob thinks there may be a rp--he is looking into corporate mergers--he indicated he may be going out there soon-perhaps we can coordinate all go out together. Let me know. I am going to schedule another Delta team meeting, what week is good.

Brenda:

Please send me the information on how to access the LDEQ documents. It asks for an AI number . Also, give me the name of your contact at LDEQ.

Thanks
